PANTHEON INTEGRATED SOLUTIONS

Capability Statement

www.mypantheonsolutions.com

Achieve programmatic success with Pantheon Integrated Solutions, Inc. We address challenges with a comprehensive program management approach and acquisition expertise. Our formula is simple, yet effective:

Integrated Strategy + Business Analytics = Empowered Customers

Pantheon solves complex challenges for NAVSEA and other defense and civilian agencies. Our subject matter expertise spans a wide range of acquisition and technical disciplines. By anticipating issues, we help customers mitigate risk and attain their goals. We use data analytics and sophisticated Business Intelligence (BI) tools to solve problems and minimize costs. *Our models deliver measurable improvements and savings.*

Core Competencies

- ☑ Business Intelligence Tool Design
- ☑ Financial Management
- ☑ Earned Value Management
- ☑ Cost Estimating
- ☑ Pricing Analysis
